Holland Shades

Measured, Made and Hung at Commencing Tuesday, April 8th, Ending Saturday, April 12th,

We will take orders for Holland Window Shades for any size window measuring up to 88 inches wide and no limit to length. They will be made in our usual faultless manner, finished with 13/4 inch hems on sides, mounted upon a roller that we will absolutely guarantee. You may have a crochet ring pull or the regular cord and rings. The offer is better appreciated when it is realized that this price, 50c, hardly equals the usual charge for merely Measuring, Making and Hanging, not considering the cost of Material, Roller, Slats, Cord, etc.

Awnings Measured, Made and \$2.50

At this price we will make awnings to fit any size window up to 42 inches in width; no limit to height. Our Awnings Are All Custom Made.

We Use Only John Boyle & Co.'s First Quality Awning stripes, which are standard and guaranteed strictly fast color. Our Frames and Fittings are all galvanized and the best the market affords. This awning offer is the lowest we have ever known, considering there are few windows over 42 inches wide, and we make them any length required without any extra charges.

It is not necessary to call in person. Telephone Chelsea 2100, or drop us a postal and one of our shade or awning experts will call and take necessary measurements and submit samples.

We guarantee complete satisfaction with every shade or awning we make.

NOTE—Our offer is for measuring, making and hanging complete. No extras because your window is higher than the usual.
